

Carry On – STUDIO

Phil Vanderveen, 2010

INTRO

VERSE 1

Bb C- F/A Bb
You must be weary It's been a while, and you're still alone
Bb /D C- F/A /A /G /A Bb
(This) path you've not chosen, so dreary Has been your uncomfortable home

Bb /D Eb /D C- F
Good days gone by are fadin', and memory is slipping away
Bb /D Eb /D C- F /F /Eb /D/ C
won't rush your way through but one thing I'll do, is join you in the pain

CHORUS 1:

/G /A Bb (/Bb C D) Eb Bb (sus, resolve)
Let's car-ry on.
G- F C/E F
Though the road feels long]
Eb Eb/ F Bb (sus, resolve)
Carry on - there is joy yet to come

VERSE 2

You've been a friend to lift me when I was down, sullen and low
But now it's your turn to be needy and mine to say you're not on your own
This is some sound assurance: the cloudy will one day be clear
No mourning or pain, you'll see her again So press on through these years

Key change?

CHORUS 1 "when this road feels long...

CHORUS 2:
