Phil Vanderveen, 2010

INTRO: |D |G :||

VERSE 1

D G D
If you've ever been in love, you know mystery
D/B G D
When two hearts can beat as one, and it's meant to be
G
You wake up feeling strong when you know that you belong
E- D/F# G A D G D
For you know what it is to be human.

VERSE 2

If you've held a newborn child you know mystery
to look deep into their eyes and see eternity
and choke back the tears for the brevity of years
then you know what it is to be human

CHORUS

G
To be human.... ... *Sometimes strong, sometimes weak*
Bm
To be human ... *often somewhere in between*
E/G#
To be human ... *Never feeling quite complete*
E-7 A
As we shape our melody

VERSE 3

We all know the grief of loss and of agony
and struggle in this life is a certainty
We are flesh and we are bone and some days we feel alone
And this too is what it is to be human...

CHORUS

INSTRUMENTAL

VERSE 4

There are days you're gonna know the thrill of victory
Other times you feel defeated and it seems life's got you beat
And if joy or misery (mmm) brings you to your knees
There is grace for you and me
That even angels wish to see
It's the gift of what it is to be human.
